

Welcome to BBC Entertainment

About Us

Thank you for your interest in BBC Entertainment. We consider it a great honour to represent our performers and assist them to further their entertainment careers.

BBC Entertainment has a rich history of providing first-class entertainment to Western Australia's premier conferences, events and functions. For over 40-years we have been assisting our clients to deliver well over 100,000 quality events.

At BBC we pride ourselves on our thorough knowledge of the WA entertainment industry, our professionalism and attention to detail. It's what sets us apart from our competitors and explains why the cream of WA's corporate sector continues to engage our specialist consultants.

Who We Represent?

The range of entertainers and artists we represent is extremely diverse - extending to local, national and international bands, speakers, comedians, floorshows, magicians, dancers, multicultural performers, spruikers, DJ's, celebrities and MC's. The artists we've brought to Perth are just as varied. Guy Sebastian, Justice Crew, Jessica Mauboy, Marcia Hines, James Morrison, The Wiggles, Jimmy Barnes, Human Nature, and Kevin Sheedy are just some of the names we've engaged.

"Chances are if they're a quality Australian performer, they've worked for BBC Entertainment"

Who are our clients?

Our clients are Perth's premiere venues; Crown Entertainment Complex, Hyatt Regency Perth and the Pan Pacific Hotel, as well as well-known corporate businesses such as Rio Tinto, Perth Racing, The Housing Industry Association, Qantas, Wesfarmers, Bank West, FAI Insurance, Events Corp, Telstra and Alinta Gas.

We also provide entertainment services for individuals and smaller organisations, sporting and social clubs, schools and charitable institutions.
